Samling Rushes Aid to Fire Victims of Rh Eloh

Samling came to the aid of the fire victims of Rh Eloh when their longhouse was ravaged by fire on the afternoon of 11 June 2020. The 24-door longhouse near our Segan Reforestation in Sungai Segan, Ulu Sebauh, Bintulu was 90% destroyed by the fire.

Upon receiving news of the disaster, the manager of Segan Reforestation, Pek Hing Lee immediately arranged for essential food aid such as rice, cooking oil, salt, sugar, noodles, and coffee powder to be dispatched to the victims.

The food aid was handed over by manager Pek to the headman of Rh Eloh, TR Eloh anak Jugah, who thanked us for the generous donation.

Samling prided herself as a responsible corporate company that **provides** relief and humanitarian aid to the communities in our area of operation when affected by disasters such as fire and flood.
